IN RESPONSE REFER
TO FOIA-85-26

Dear Mr. Millar:

This is in response to your letter dated January 8, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), copies of all preliminary drafts of the Comanche Peak Technical Review Team's report regarding quality control at the Comanche Peak Steam Electric Station.

The records identified on the enclosed Appendix A are now available for public inspection and copying at the NRC Public Document Room (PDR) in PDR file FOIA-85-26 under your name.

The record identified on the enclosed Appendix B is subject to your FOIA request and is already available for public inspection and copying in the PDR.

Also enclosed is a copy of a notice which explains the procedures and charges for obtaining records from the PDR.

Sincerely,

J. W. Felton, Director
Division of Rules and Records
Office of Administration

Director
Office of Administration
Nuclear Regulatory Commission
Washington, D.C. 20555

To Whom It May Concern:

Pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, the Government Accountability Project ("GAP") requests copies of any and all agency records and information, including but not limited to notes, letters, memoranda, drafts, minutes, diaries, logs, calendars, tapes, transcripts, summaries, interview reports, procedures, instructions, engineering analyses, drawings, files, graphs, charts, maps, photographs, agreements, handwritten notes, studies, data sheets, notebooks, books, telephone messages, computations, voice recordings, computer runoffs, any other data compilations, interim and/or final reports, status reports, and any and all other records relevant to and/or generated in connection with all information connected with the Quality Assurance Report by the Technical Review Team about the Comanche Peak nuclear power plant.

This request includes all agency records as defined in 10 C.F.R. § 9.3a(b) and the NRC Manual, Appendix C211, Parts 1.A.2 and A.3 (approved October 8, 1980) whether they currently exist in the NRC official, "working," investigative or other files, or at any other location, including private residences.

If any records as defined in 10 C.F.R. § 9.3a(b) and the NRC Manual, supra, and covered by this request have been destroyed and/or removed after this request, please provide all surrounding records, including but not limited to a list of all records which have been or are destroyed and/or removed, a description of the action(s) taken relevant to, generated in connection with, and/or issued in order to implement the action(s).

GAP requests that fees be waived, because "finding the information can be considered as primarily benefitting the general public," 5 U.S.C. § 552(a)(4)(a). GAP is a non-profit, non-partisan public interest organization concerned with honest and open government. Through public outreach, the Project promotes whistleblowers as agents of government accountability. Through its Citizens Clinic, GAP offers assistance to local public interest and citizens groups seeking to ensure the health and safety of their communities. The Citizens Clinic is currently assisting several citizens groups, local governments and intervenors in the central Texas area concerning the construction of the Comanche Peak nuclear power plant.

We are requesting the above information as part of an ongoing monitoring project on the adequacy of the NRC's efforts to protect public safety and health at nuclear power plants.

For any documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld. This index is required under Vaughn v. Rosen (I), 484 F.2d 820 (D.C. Cir. 1973), cert. denied, 415 U.S. 977 (1974).

We look forward to your response to this request within ten days.

Sincerely,

Billie Pirner Garde
