Control # 03937

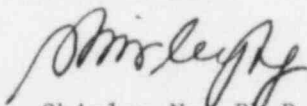

Dear Ms. Johansen:

To follow up our telephone conversation, I have taken a five credit course of radioisotope tracer techniques from Ohio State University. In that course, we had experience of handling α (H^3) and β (C^{14}) radioisotopes.

In regard to Ms. Barbara Kelly's replacement - Mr. Taras Sochan, we would like to leave it open at this time.

If you have any questions, please call!

Sincerely,

Shirley Ng, Ph.D.
Manager of Pharmaceutical Research
