SUBJECT Release Austin Warrant State		SUMMARY Re: Austin's relocation of 5.6. Shipyard contractor to avoid relocation of 5.6. Shipyard contractor to avoid for storage a view of above contractor Note: P.A. Austin called on 6/26 requesting this pattern of removal. He acted upon 454P. P.A. Austin stated new area is recommended border of an existing building on campus (Neatly Source, 1410) He also stated adjacent corridor is a restriction area and outside wall faces loading dock area. Outside wall is paved concrete over brick. P.A. Austin further stated that outside wall is not primary barrier. Letter submitted states that contractor will be ready to start in accordance with procedures described in March 4, 1983 letter
