Attention: Licensing Control Branch

Gentlemen:

On February 1, 1956, we sent you, in duplicate, form AEC-7,
requesting permission to export 4 x 5 lbs. URANYL NITRATE A.R. to
be used in the manufacture of Pesqui's Uranium Wine to:

Laboratorios Bezaville S.A.
Churubusco, Coyoacan, D.F.
Mexico

We also wrote you about this matter on February 29, 1956 but
have not received any answer as yet.

We would appreciate it if you would advise us as soon as possible
if this export license will or will not be forthcoming that we may
advise our customer immediately.

Thank you.

Yours truly
