Dear Mr. Glenn:

This is in reference to your letter of November 3, 1982 regarding our amendment request to change the hospital's Radiation Safety Officer (RSO). Mr. Dean D. Rombach's position is supervisor of the nuclear medicine department. Mr. Rombach (in terms of radiation safety) will only be responsible to the Radiation Safety Committee of the hospital. Therefore, eliminating any conflict of duties as the RSO and supervisor of nuclear medicine.

Sincerely,

Joseph S. Noviello
