Mr. James R. Mason, Chief  
Division of Licensing & Regulation  
Isotopes Branch  
U.S. Atomic Energy Commission  
Washington 25, D.C.

Dear Mr. Mason:

We would like to correct a typographical error contained in Supplement B, Administrative Procedure for the Disposal of Radioactive Waste, July 25, 1960.

On page three (3) in the paragraph designated as VI-B-1-A, the word "now" in line three (3) should read "not". We are changing our copies accordingly.

Very truly yours,

ISOTOPE SPECIALTIES
