Mr. James R. Mason, Chief  
Isotopes Branch  
Division of Licensing and Regulation  
U.S. Atomic Energy Commission  
Washington 25, D. C.

Dear Mr. Mason:

This is our request for an amendment to byproduct and source material license no. 4-580-6 to permit land disposal of radioactive waste to AEC approved sites.

Please advise if there is any further information that is needed from us, or action which we may take, to aid you in expediting approval of the requested amendment.

Very truly yours,
