Ch

MEMORANDUM FOR: Leo B. Higginbotham, Chief
Low-Level Waste and Uranium
Recovery Projects Branch
Division of Waste Management

FROM: John T. Greeves, Chief
Engineering Branch
Division of Waste Management

SUBJECT: FINAL DRAFT STP ON TESTING AND INSPECTION PLANS DURING
CONSTRUCTION OF DOE'S REMEDIAL ACTION AT INACTIVE URANIUM
MILL TAILING SITES

Enclosed is the final draft of the Staff Technical Position (STP) on Testing and Inspection Plans during Construction of DOE's Remedial Action at Inactive Uranium Mill Tailing Sites. The draft incorporates the comments made by Dan Gillen, Ted Johnson and other WM staff members on our preliminary draft of the STP (memo from Greeves to Higginbotham, dated June 7, 1985).

The position paper has been prepared by Dr. Dinesh Gupta. He can be reached at x74742.

Original signed by

John T. Greeves, Chief
Engineering Branch
Division of Waste Management
