Re: NRC License # 47-19140-01

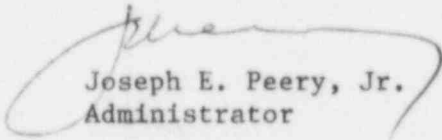

Gentlemen:

Please amend the above referenced license to increase the possession limit for Group III material to 4 curies. This will enable our facility to obtain a larger generator on a bi-weekly basis which will be more cost effective.

In addition please delete Dr. Michael Cortes from our license as he is no longer associated with the hospital.

Enclosed is a check for \$120.00 to cover amendment fees. If you have any questions please advise.

Very sincerely yours,

  
Joseph E. Peery, Jr.  
Administrator
