Gentlemen:

This refers to your letter dated June 21, 1985, informing the Commission that you do not plan to pursue your February 6, 1985 application for a materials license and requesting a refund of the \$230 application fee.

Please note that §170.12(a) of Part 170 of the Commission's regulations, copy enclosed, provides that application fees will be charged irrespective of the Commission's disposition of the application or a withdrawal of the application. If, however, the Commission receives an application accompanied by a fee and it is withdrawn prior to the staff commencing its review, the fee would be refunded. Since the Licensing staff spent considerable time reviewing your application prior to withdrawal, the application fee is not refundable.

If you have any questions, please let us know.

Sincerely,

Original Signed By

W. D. Weiss
