Gentlemen:

This letter is in response to your application dated June 13, 1985, for a byproduct material license. Additional information is needed to support your application. To assist you in providing this information, we have enclosed a copy of the guide, "Guide for the Applications for Licenses for the Use of Sealed Sources in Portable Gauging Devices (1985)."

We are using this form letter to enable us to process your application in a timely manner. Your cooperation in promptly submitting the requested information will also help us to decrease the process time for your application.

We will continue our review of your application upon receipt of this information. Please reply in duplicate and refer to Control No. 460675.

Sincerely,

*Original Signed By*
