MEMORANDUM TO: Region I Staff

FROM: Thomas T. Martin
Regional Administrator 

SUBJECT: INFORMING ALLEGERS OF THE DEGREE TO WHICH THE NRC CAN
PROTECT THEIR IDENTITY

Attached is a memorandum from the EDO describing contacts with alleged. The memorandum describes information that you are expected to provide an alleged regarding the degree to which the NRC can protect the alleged's identity. I expect all staff to review this memorandum carefully and adhere to it in dealing with an alleged.

Training sessions will be provided on this guidance in the near future. In addition, a laminated card containing this information will be developed so that the information can be placed in a wallet. In the interim, if you have any questions on this guidance, contact Dave Vito, Senior Allegation Coordinator (X5222) or your supervisor.
