This is to request that our office be included in the list of facilities at which Medical Imaging of 10V Roessler Road, Woburn, Massachusetts is licensed to perform Nuclear Medicine services. Adequate facilities are available for housing and operating the Medical Imaging Corporation equipment while it is in this office, and for performance of whatever procedures may be necessary by Medical Imaging personnel.

Nuclear Imaging procedures will be requested by any member of the medical staff, but will be coordinated under the general supervision of Dr. Semine. A copy of Dr. Semine's board certification is enclosed. Dr. Semine will work closely with Medical Imaging Corporation personnel throughout this program.
