Dear Sir,

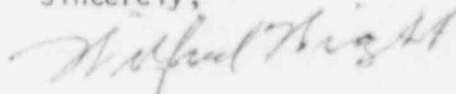

I am writing in response to your letter dated July 12, 1984 and also regarding our current Nuclear Medicine License we recently received.

Please find enclosed a check for \$80.00 making up the difference of our amendment fee.

The name Kenneth L. Reed appears on the license as one of the physicians authorized to practice Nuclear Medicine at St. Francis Hospital. To my understanding this name was not submitted by St. Francis and must be deleted from our license because of an exclusive contractual arrangement between St. Francis and Kanawha Valley Radiologists.

Please let me know if I can provide you with any additional information.

Sincerely,

Wilfred Wright
Senior Vice President
