Dear Sir,

Please find enclosed an application for materials license for Dr. Alan R. Nichols. This application has been reviewed by our Radiation Safety Committee and has recommended Dr. Nichols be added to the St. Francis Hospital Nuclear Medicine License. I also enclose the preceptor statement and the registration fee.

Dr. Linda Carr has terminated employment with Kanawha Valley Radiologists and will not be working in any capacity at St. Francis Hospital; it is recommended that her name be removed from the hospital license.

Sincerely,

Wilfred Wright
