Dear Ms. Wright,

Attached please find a letter that Mr. Edmund Barnum addressed to you before the holidays requesting ammendments on our NRC License No. XSOU8707. He had requested that a check be processed to be included with this letter; however, the check has since been sent without the cover letter. Our check #206484 was sent on December 24, 1996 to:

US Nuclear Regulatory Commission
License Fee & Debt Collection
PO Box 954514
St. Louis, MO 63195

Unfortunately, it appears there was no reference to the NRC License No. nor any attached documents. I am now including Mr. Barnum's original request and would like to know what you suggest we do now. It appears the check has been cashed. I apologize for this mix-up and hope we can get it cleared up soon. Please contact me at the above referenced numbers as Mr. Barnum has retired.

Sincerely,

Patty C. Santistevan
