Educative Vice President

1/28/61
Final
Nuclear Corporation of America, Inc.

Reference is made to your application dated July 25, 1960, requesting renewal of Byproduct, Source and Special Nuclear Material License No. 4-580-6 ^{located to} held by Isotopes Specialties Company, Division of Nuclear Corporation of America, Inc.

letter
By ~~application~~ dated January 13, 1961, from Allen K. Goldstein, application was made for a transfer of License No. 4-580-6 from Isotopes Specialties Company, Division of Nuclear Corporation of America, Inc. to Isotopes Specialties Company, Division of U. S. Nuclear Corporation. *General Manager, Isotopes Specialties Company*
this application
application has been denied for failure of Isotopes Specialties Company to prosecute the application.
Division of U. S. Nuclear Corporation to ~~provide essential~~

[By letters dated March 1, 1961 and March 7, 1961 from Dr. Kenneth Newman Nuclear Corporation of America, Inc. verified the transfer of the Isotopes Specialties Company Division to U. S. Nuclear Corporation and stated that all waste byproduct, source and special nuclear material waste received under License No. 4-580-6 had been disposed of.]

Review of the development
Therefore, you are requested to ~~indicate your willingness~~ ^{license} withdraw the application for renewal dated July 25, 1960, and request termination of License No. 4-580-6.

You are hereby notified that unless within thirty days from the date of this letter we receive the indicated/withdrawal and termination ^{request for application withdrawal & your request application} of the license or ^{an} indication of your desire to retain ~~the license~~ said license with detailed supporting information, we will consider the application as having been abandoned by you. *and License No 4-580-6 terminated*

Sincerely yours,

L. Johnson
