Dear Dr. Adam:

With regard to our recent license application (control #78733), I would like to make one correction in Item 10(o), page 44 of our application. Under section a(4) of that page, the sentence which reads, "Stay at the scene until a Pharmatopes representative arrives" should read, "Stay at the scene until an Iso-Diagnostics Services representative arrives." Please make this change in your master copy. Thank you very much.

Sincerely,

Steven Sands, MS /aw
