DOCKETING & SERV
BRANCH

Dear Mr. Rasbury:

A copy of your letter, dated July 25, 1984, to Mrs. Elaine D. Robinson of LILCO pledging use, among others, of East Williston Schools as emergency shelters in case of an emergency evacuation caused by problems at LILCO's Shoreham plant has been brought to our attention. Such a pledge by you for use of our schools in man made emergencies, in our judgement, is a violation of our original agreement with you. Thus, we are withdrawing all privileges we originally extended to you for the use of our facilities.

We will consider any new request made by you to enter into a new agreement for use of our facilities. But you must assume, pending further actions by you and us, that our facilities are, as of this letter, no longer available to you for any use.

Sincerely,

Darrell R. Lund
Superintendent of Schools
