

PDR

Docket: 50-267

20 SEP 1985

Public Service Company of Colorado
ATTN: O. R. Lee, Vice President
Electric Production
P. O. Box 840
Denver, Colorado 80201-0840

Gentlemen:

This letter is to provide special information concerning admittance of an NRC employee to the Fort St. Vrain Nuclear Station. The person identified in the Special Enclosure is scheduled to visit during the week of September 30-October 4, 1985.

The person identified will require escort to the administrative offices, protected areas, and vital areas during his visit.

We request that a site orientation covering issuance of badges, escort duties, and emergency evacuation be afforded the person listed in the Special Enclosure, if such training has not been previously provided.

Should you have any questions concerning this matter, please contact me at (817) 860-8108.

Sincerely,

Original signed by
Barbara J. Kay

SPECIAL ENCLOSURE

20 SEP 1985

FORT ST. VRAIN NUCLEAR STATION

This certifies that the person listed below is an NRC employee. To the extent of our knowledge, this person does not possess adverse character traits or indications of aberrant behavior. This employee has been screened to the national level (including a criminal records check); no disqualifying offenses were noted. Trustworthiness has been determined by a review of the individual's employment records. Based on the above, this employee qualifies for access to your facilities in accordance with the attached cover letter.

<u>Name</u>	<u>Badge Number</u>	<u>Clearance</u>
Earnest, Bruce A.	C-127	Q Pending

A "Q" access authorization is based on a satisfactory full-field investigation conducted by the Office of Personnel Management (OPM), the Federal Bureau of Investigation (FBI), or another U. S. Government agency which conducts personnel security investigations.
