Gentlemen:

SUBJECT: MEETING SUMMARY - VOGTLE FACILITY, DOCKET NO. 50-424

This refers to the management meeting conducted at your request in the NRC Region II Office on August 19, 1985. This meeting was held to brief the NRC on the Vogtle Readiness Review Module No. 2 entitled "Operations Training and Qualification" and Module No. 5 "Operations Organization and Administration".

It is our opinion that this meeting was beneficial and has provided a comprehensive overview of the Vogtle Readiness Review Program and, specifically, the two operations modules presented. This in-depth presentation will better enable the NRC to conduct its evaluation of these modules.

In accordance with Section 2.790 of NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and its enclosure will be placed in the NRC Public Document Room.

Should you have any questions concerning this letter, we will be pleased to discuss them.

Sincerely,

J. Nelson Grace
