FREEDOM OF INFORMATION  
ACT REQUEST

FOIA-85-194

Rec'd 3-22-85

Dear Mr. Felton:

This request is made under the federal Freedom of Information Act, 5 U.S.C. 552.

Please send me copies of all correspondence, memoranda, reports, studies and other documents that comprise the Nuclear Regulatory Commission's Office of Investigations' investigation or review of control room operators at the Three Mile Island-2 accident.

The Freedom of Information Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all nonexempt portions of the records which I have requested, and ask that you justify any deletions by reference to specific exemptions of the Freedom of Information Act. I reserve the right to appeal your decision to withhold any materials.

I promise to pay reasonable search and duplication fees in connection with this request. However, I am a journalist employed by The Times-Picayune/The States-Item and intend to use the information I request as the basis for newspaper articles. Therefore, I ask that you waive all search and duplication fees.

As I am making this request in the capacity of a journalist and this information is of timely value, I would appreciate any questions regarding my request be posed by telephone -- not mail.

Thank you for your assistance and I look forward to receiving a reply within 10 days, as required by law.

Sincerely,

Lynn Cunningham
