

AFFIDAVIT OF

J. V. HAWKINS

THE STATE OF Illinois :
COUNTY OF DeWitt :

BEFORE ME, the undersigned authority, a Notary Public in and for DeWitt County, Illinois, on this day personally appeared J. V. HAWKINS, who by me being duly sworn upon his oath deposes and says:

My name is J. V. Hawkins. I am presently employed by Power Systems Incorporated and I reside at Route 1, Box 195, Clinton, Illinois 61727. My telephone number is 217/935-6155.

I worked at the Comanche Peak Steam Electric Station construction site from January of 1975 to October of 1981, as a Gibbs & Hill employee and was Gibbs & Hills' site QA Supervisor.

I recall that Management Analysis Company ("MAC") reviewed the TUGCO Quality Assurance Program at Comanche Peak in 1978. I recall having an interview with MAC representatives. I was aware that MAC had issued a report and received a copy at that time. I do not recall what happened to the copy I read.

I was not aware that in July of 1980, CASE, the Intervenor in the Comanche Peak licensing proceeding, had made a request for discovery of evaluations, studies, and audits that had been conducted at Comanche Peak. No one, to my recollection, inquired of me concerning this matter. I do not recall anyone asking me either directly or indirectly any questions concerning the MAC report as it related to any discovery requests in the licensing proceedings. I was not generally involved in those types of decisions and I did not participate in any discussions regarding whether the MAC report should be produced. I do not recall attending any pre- or post-audit meetings with MAC representatives.

J. V. HAWKINS

SUBSCRIBED AND SWORN TO before me by the said J. V. HAWKINS on this,
the 8th day of August, 1985.
