

AFFIDAVIT OF

B. J. MURRAY

THE STATE OF TEXAS :  
:  
COUNTY OF DALLAS :

BEFORE ME, the undersigned authority, a Notary Public in and for Dallas County, Texas, on this day personally appeared B. J. MURRAY, who by me being duly sworn upon his oath deposes and says:

My name is B. J. Murray. I currently work in Construction Management Services for oil, gas, and fossil plants for Texas Utilities Generating Company in Dallas, Texas. I have not been involved at the Comanche Peak Steam Electric Station since August or September, 1984. For about three and one-half years prior to leaving Comanche Peak, I was Construction Manager at Comanche Peak and prior to that was Manager of Engineering in the area of pipe and electrical supports.

I have no recollection of having been interviewed by Management Analysis Company ("MAC") in 1978 in connection with their management quality assurance review of Comanche Peak. I do not have a copy of the report prepared by MAC in connection with this review and have never had a copy of same nor have I ever read the report. While I was generally familiar that in 1980 CASE, the Intervenor in the licensing proceedings, was on the Comanche Peak site reviewing documents, I did not participate in the collection of documents and did not know what was being requested. I did not participate in any discussions regarding whether the MAC report should be produced in response to CASE's discovery requests.

  
B. J. MURRAY

SUBSCRIBED AND SWORN TO before me by the said B. J. MURRAY on this,  
the 7<sup>th</sup> day of August, 1985.

Jeri Smart  
Notary Public in and for Dallas  
County, Texas
