

AFFIDAVIT OF

B. C. SCOTT

THE STATE OF TEXAS :
COUNTY OF DALLAS :

BEFORE ME, the undersigned authority, a Notary Public in and for Dallas County, Texas, on this day personally appeared B. C. SCOTT, who by me being duly sworn upon his oath deposes and says:

My name is B. C. Scott. I am presently employed by Texas Utilities Generating Company in Dallas, Texas. My residence address is 4601 Michelle Drive, Arlington, Texas 76016.

In 1978, I was Site QA Manager for Brown & Root and I recall being interviewed by Management Analysis Company ("MAC") in connection with their management audit of Comanche Peak Steam Electric Station. I was aware that MAC had issued a report and recall discussing the report with R. G. Tolson of TUGCO. I do not recall ever having a copy of the report.

I left the Comanche Peak Project in June, 1979, and did not return until March of 1981. I have not participated in any discussions regarding whether the MAC report should be produced in response to CASE's discovery requests.

On December 31, 1984, I was Supervisor of Vendor Compliance for TUGCO in Dallas, Texas and currently hold this same position.

B. C. SCOTT

SUBSCRIBED AND SWORN TO before me by the said B. C. SCOTT on this,
the 7th day of August, 1985.
