Gentlemen:

SUBJECT: REPORT NO. 45-17911-01/85-01

Thank you for your response of July 3, 1985, to our Notice of Violation issued on June 24, 1985, concerning activities conducted under NRC License No. 45-17911-01. We have evaluated your response and found that it meets the requirements of 10 CFR 2.201. We accept your subsequent determination that the Radiation Safety Committee Meetings were, in fact, held even though no records were maintained; however, failure to maintain records will remain as a Severity Level V rather than a Severity Level IV violation as originally determined. We will examine the implementation of your corrective actions during future inspections.

We appreciate your cooperation in this matter.

Sincerely,

J. Philip Stohr, Director
Division of Radiation Safety
and Safeguards
