Gentlemen:

SUBJECT: REPORT NO. 50-395/85-38

On September 30 - October 4, 1985, NRC inspected activities authorized by NRC Operating License No. NPF-12 for your Summer facility. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the enclosed inspection report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.

Within the scope of the inspection, no violations or deviations were identified.

Your attention is invited to an unresolved item identified in the inspection report. This matter will be pursued during future inspections.

Should you have any questions concerning this letter, please contact us.

Sincerely,

(Original signed by SPWeise/ for)
