SER Outstanding Issue No. 21
Procedures Generation Package
Submittal of Omitted Pages

Dear Mr. Youngblood:

Our letter dated September 11, 1985 transmitted the Procedure Generation Package for the Perry Emergency Operating Procedures. Seventeen pages were inadvertently omitted from that submittal. A copy of these pages (Attachment 7 pp. 222-238) is attached.

In addition, an information copy of PAP-0507 is provided to address staff concerns with respect to future revisions to the Perry Emergency Operating Procedures.

Please feel free to contact me if you have any questions concerning this matter.

Very truly yours,

Murray R. Edelman
Vice President
