RE: 12-07244-02

Gentlemen:

We hereby request renewal of our license number 12-07244-02 without modification. We have reviewed our current license, documents received since May 31, 1980 and current NRC regulations and find that all provisions and conditions contained in that license are an accurate reflection of our program. We, therefore, request that we be permitted to continue to operate under our current license #12-07244-02 dated May 21, 1980, due to expire May 31, 1985. Our operation will continue in accordance with those documents and applicable NRC regulations and license conditions.

Our application fee in the amount of \$150.00 is enclosed.

Sincerely,

Edward J. Conklin

Dr. Edward J. Conklin
Vice President, Manufacturing
