Re: License Number 12-07244-02

Gentlemen:

Enclosed in duplicate are NRC-313 forms with supporting information for the renewal of NRC license number 12-07244-02. There has been no change in the location or use of this sealed source during the period of the license nor do we anticipate any changes. Wipe tests are conducted as prescribed in the manufacturer instructions. The license fee of \$110 is also enclosed.

We trust that the application is in order. If you should need additional information or have any questions, please feel free to call me at 815/968-0747.

Sincerely,

Edward J. Conklin
