Gentlemen:

This refers to your letter dated August 15, 1985, for renewal of your Quality Assurance Program for Radioactive Material Packages, Approval No. 0180.

Enclosed is a copy of revised 10 CFR 170, which became effective June 20, 1984. Please notice §170.31, fee Category 10F, which specifies fees for applications for Part 71 quality assurance approvals, including renewals and amendments thereto. Applicants in fee Category 10F pay an initial application fee of \$150 and are subsequently billed at six-month intervals for all accumulated NRC costs or upon completion of the review, whichever occurs sooner. The total fee assessed will be based on the actual NRC cost (professional staff-hours) to process the application as well as any contractual cost incurred.

Based on the above, please remit an application fee of \$150 and mail it to my attention. If you have any questions concerning the fee, please let me know.

Sincerely,

Original Signed By
Glenda Jackson
