IN RESPONSE REFER
TO FOIA-85-686

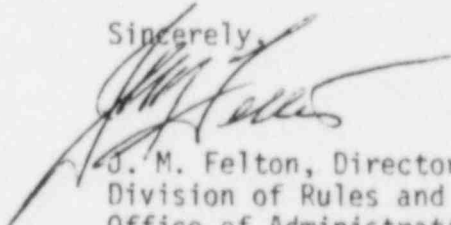

Dear Mr. Rhodes:

This is in response to your letter dated October 7, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), information concerning security at nuclear plants.

We are enclosing copies of the NRC's 1984 Annual Report, 10 CFR Part 73, "Citizen's Guide to U. S. Nuclear Regulatory Commission Information," and a notice on procedures and charges for obtaining records from the NRC's Public Document Room (PDR). We are also enclosing copies of a previous FOIA request, FOIA-84-479, and NRC's response to that request. Since our July 23, 1984, response to FOIA-84-479, the address for obtaining publications from the NRC/GPO Sales Program has changed. If you are interested in obtaining any publications from this program, you should now write to the Superintendent of Documents, U. S. Government Printing Office, Post Office Box 37082, Washington, DC 20013-7982.

We hope that this information will assist you in beginning your research project. If you have any questions regarding this response to your request, please telephone Carol Ann Reed at (301) 492-4262.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
