SUBJECT: GENERIC LETTER 83-28, ITEM 1.1 - POST-TRIP REVIEW - PROGRAM
DESCRIPTION AND PROCEDURE

We have completed our review of Post-Trip Review - Program Description and Procedure for the Fort Calhoun Station, Unit No. 1. Our review was based on your November 4, 1983 response to our July 8, 1983 Generic Letter entitled "Required Actions Based on Generic Implications of Salem ATWS Events." As you know, we forwarded to you a request for additional information and draft safety evaluation on May 21, 1985. You responded to our request for additional information by letter dated August 30, 1985. Based on our review of your November 4, 1983 submittal as supplemented by your letter dated August 30, 1985, we have concluded that the post-trip review program and procedures are acceptable for the Fort Calhoun Station, Unit No. 1.

Our Safety Evaluation is enclosed.

Sincerely,

/s/

Edward J. Butcher, Acting Chief
Operating Reactors Branch #3
Division of Licensing
