Dear [ ]

On February 5, 1985 you provided the U. S. Nuclear Regulatory Commission with information concerning the certification of Level III Inspectors at the Callaway Nuclear Plant. Your concerns have been assigned to the Region III Division of Reactor Projects for resolution and we expect to complete our inspections within the next ninety days.

The enclosed memorandum documents our understanding of your concerns. Please write to me at the above address or telephone me at (312) 790-5500 if you have any additional information or questions. Your cooperation with us is appreciated.

Sincerely,

Charles H. Weil  
Investigation and  
Compliance Specialist
