Skyway Tower  
400 North Olive Street, L.B. 81

Dear Mr. Council:

SUBJECT: REPORT OF COMANCHE PEAK INTIMIDATION PANEL

The enclosed report documents the results of the review and evaluation of allegations of intimidation and harassment at the Comanche Peak Steam Electric Station (CPSES). This review was performed by the Comanche Peak Intimidation Panel (Panel) and by a Study Team composed of a group of consultants.

The Study Team performed an in depth review and evaluation of alleged incidents of intimidation and harassment (Attachment 1 and 2 of report). The Study Team concluded and the Panel concurred that, while some instances of intimidation did occur, there was no pervasive climate of intimidation at CPSES.

As recommended by the Panel, you are requested to perform an assessment of the incidents described in this report, as well as the current condition at the site. You should also address your commitment to assure the establishment of a quality first attitude by your management and employees, as well as describe any evaluation, programs or other efforts underway or to be undertaken directed at this situation.

Your written response to the foregoing matters should be provided within 30 days of your receipt of this request.
