Gentlemen:

Subject: Inspection No. 85-01

This refers to your letter dated July 17, 1985, in response to our letter dated June 17, 1985.

Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

With regard to Item A of your corrective actions, a record must be maintained to show that an evaluation of the radiation dose received by the individual was conducted. The evaluation must consider the individual's actual duties or working habits that may affect the dose received during the time period.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
