Alvin W. Vogtle Nuclear Plant, Units 1 and 2

Georgia Power Company

Systematic Appraisal of Licensees Performance

NRR Project Manager Comments

The Alvin W. Vogtle Nuclear Plant is presently in the post-CP stage. The applicant plans to submit an application for an operating license in March 1982. The Project Manager and reviewers have had only limited interface with the applicant regarding safety and environmental matters during the post-CP stage. Therefore, an appraisal of the applicant's performance cannot be given.
