Docket No. 50-312

Sacramento Municipal Utility District
P. O. Box 15830
Sacramento, California 95813

Attention: Mr. R. J. Rodriguez
Executive Director, Nuclear Operations

Gentlemen:

Subject: NRC Special Inspection of Rancho Seco

This refers to the special safeguards inspection conducted by Mr. L. R. Norderhaug of this office during the period September 25 through October 24, 1985, to review the circumstances and corrective actions associated with a recent security event. The event was reported by you to the NRC by telephone on September 16, 1985. The results of the inspection were discussed by the inspector with Messrs. R. Moore, G. Coward and other members of your organization at the conclusion of the visit on October 24, 1985.

Areas examined during this inspection included activities related to physical protection as described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and records, interviews with facility and other personnel, and observations by the inspector.

In accordance with Section 2.790(d) of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, documentation of your safeguards and security measures are exempt from public disclosures; therefore, the enclosed inspection report will not be placed in the Public Document Room and will receive limited distribution.

We have determined that the enclosures so designated contain Safeguards Information and therefore are subject to the controls of 10 CFR 73.21.
