Preliminary Notification of Expected Consolidation of Meridia Health Systems with the Cleveland Clinic

Dear Ms. Holt:

Please allow this letter to document preliminary notification of an expected affiliation of Meridia Health Systems with The Cleveland Clinic. The affiliation/merger of the two systems is still in the earlier stages of discussion and not finalized at this time. We are aware of NRC Information Notice: 89-25, Rev. 1, Unauthorized Transfer of Ownership or Control of Licensed Activities, dated December 7, 1994. Questions listed in the Information Notice will be completed and submitted for NRC approval as soon as finality of the merger is assured.

If there is any further information requested by the NRC prior to the completion of the agreement, please feel free to contact me at 491-6109.

Sincerely,

Kathleen Rice

SUBJECT

Expected Merger with Cleveland Clinic

SUMMARY

Kathy stated that the final vote on the merger will take place in late January 1997. After that DOJ will review and determine if it is appropriate. Since this action will completely change health care in the Cleveland area. I informed Kathy that we will need a formal amendment request written and the responses to IR 89-25 before the merger; and that we will need this info ASAP in order for us to do a adequate evaluation and timely issuance of the license amendments. Otherwise Meridian System will be in violation of the requirements. She stated she understood and plans to submit the details as soon as the merger is approved.
