

# NEW JERSEY STEEL

C O R P O R A T I O N

January 22, 1997

Office of Administration  
United States Nuclear Regulatory Commission  
Washington, DC 20555-0001

Dear Sir/Madam:

Regarding: New Jersey Steel Corporation -  
Contact Person

My responsibilities with NJSC have been reassigned and I am no longer responsible for the Operational aspects of this plant.

Kindly change your files so that all future correspondence formerly addressed to myself as the Vice President of Operations is removed.

Please contact this company and request another responsible person as a contact to the USNRC.

Sincerely,

Joseph A. Lahita
