RE: Surety Bond for TCT-St.Louis Location
Materials License #24-17152-02

Dear Kevin:

About the 26th of October I sent, to your attention, a bond from our new bonding company, Acstar Insurance, as a replacement for the Safeco Bond you currently have on file.

Our old bonding company, Safeco, is anxious to clear this bond from their records. Please advise if the new Bond from AcStar (Bond #3652) has been reviewed; if it has and meets with NRC approval please return the old Safeco bond (Bond #5888324) or a letter addressed to Safeco, to my attention, releasing them from the old bond as soon as possible.

If you have any comments or questions please let me know, my direct d/fal number is (612) 359-7486. Your prompt attention to this matter would be most appreciated.

Sincerely,

TWIN CITY TESTING CORPORATION
