The purpose of this modification is to extend the period of performance of the subject task order from January 15, 1997 through May 1, 1997, at no additional cost to the Government. In accordance with Section G.5(c) of the subject contract entitled "Task Order Award," this letter definitizes Modification No. 2 to the subject task order.

The second paragraph, first sentence of the definitization letter of the basic task order is revised to extend the expiration date of Task Order No. 60 from "January 15, 1997" to "May 1, 1997."

The issuance of this modification does not amend any other terms or conditions of the subject task order including the ceiling amount of \$48,473.

A summary of obligations for the subject task order, from award date through the date of this action, is given below:

Total FY96 Obligation Amount:	\$48,473
