

Telephone Conversation Record

Date: July 13, 1995, 10 AM

Persons: Bob Nelson and Jim Kennedy, NRC; Murray Wade, Lance McCold, ORNL

Purpose: To discuss Shieldalloy review and next steps.

Summary of telecon:

- NRC to continue to review the annotated outline and will send comments to ORNL based on what's in the current AO, even though it's not complete.
- Revision to AO by ORNL is pending receipt of NRC comments and response from Shieldalloy to our request for additional information (RAI) on RI/FS. The RAI is expected to be sent approximately 7/14.
- ORNL will hold off on revisions to the DOPA pending response from Shieldalloy to the RAI above.
- ORNL will propose revised schedules and milestones for EIS development after getting response from Shieldalloy.
