RE: Civil Air Patrol & Concerns about safety at Nuclear Plants.

ADDITIONAL BACKGROUND INFORMATION:

██████████ is very concerned about proposed cuts in the Civil Air Patrol budgets. ██████ would like the Congressman to be aware of just how much personal time CAP members donate at (at least 10 hrs. a week) and how important their contributions are to the youth of America.

██████████ would also like our office to request a copy of regulations governing security procedures at Nuclear Plants. ██████████ works security at Indian point & would like to know why the security details are not informed when the FBI receives threats. If certain personal are that is fine but ██████████ doubts that they are.

██████████ would like this request made confidentially.
