FOIA-85-486
rec'd 7/9/85

Dear Sir,

International Tourism Research specializes in making available public domain information.

Under the Freedom of Information Act, I wish to obtain a list of consultant's reports / studies (usually by major accounting firms and management consultants), that were commissioned by your Agency and its constituent agencies/bureaus for the three fiscal years ending September 30, 1984 and for the current fiscal year to date. As a cut-off, I am only interested in reports costing \$20,000. or more.

From a few agencies I have received the reply from the FOIA office "We do not keep such a list". However, when I wrote to the Inspector General of the Department of the Treasury, I received a reply from the Director of the Office of Procurement. I am enclosing a copy of the reply and a sample of the computer listing (for DYAA). Incidentally, the listing would be more useful if it provided the title of the study.

I am sending my initial request to you, as I believe the Inspector General of an Agency has an interest in what consultants reports have been commissioned.

I look forward to your reply.

Yours sincerely,

Re: 85-05-68

Dear Mr. Byrne:

This is in response to your Freedom of Information Act (P.L. 89-487, 90-23 and 93-502) request of May 10, 1985. Enclosed is a computer listing of consulting-type contracts over \$50,000, from fiscal year 1982 to date, that have been entered into our data base system by each of our bureaus.

The first column of the listing indicates the bureau responsible for the contract. Listed below is a legend identifying the code of the respective bureau. In order for you to receive copies of any reports that have been prepared by the contractor you will have to identify the specific report by contract-number and date. You will then have to go back to each bureau to obtain copies under the Freedom of Information Act. I am also enclosing a copy of "Selling To The Department Of The Treasury" which provides addresses of bureau procurement offices. I am sure you are aware that some reports can be several hundred pages and therefore, costly to reproduce.

Legend for computer listing:

DYAA	✓ Office of the Secretary
DYAT	✓ Bureau of Alcohol, Tobacco and Firearms
DYCS	✓ U.S. Customs Service
DYEP	✓ Bureau of Engraving and Printing
DYGF	✓ Financial Management Service
DYRS	✓ Internal Revenue Service
DYLE	✓ Federal Law Enforcement Training Center
DYMT	✓ United States Mint
DYPD	✓ Bureau of the Public Debt
DYSB	✓ U.S. Savings Bonds Division
DYSS	✓ U.S. Secret Service

Also, enclosed is a copy of Treasury Department Order No. 256, establishing the position of the Inspector General.

Since the copying costs for this request were minimal, we are waiving the requirement for payment thereof.

Sincerely,

Thomas P. O'Malley
Director
Office of Procurement
