**REDUCTION OF LIMIT OF LIABILITY ENDORSEMENT
(After Prior Increase)**

It is agreed that:

1. The limit of liability stated in Item 4 of the Declarations of the policy as amended by this endorsement applies only with respect to obligations assumed or expenses incurred because of bodily injury, property damage, environmental damage or evacuation of the public (a) caused, during the period from the effective date of the policy to the effective date of this endorsement, by the nuclear energy hazard and (b) which is discovered, and for which written claim is made against the insured, not later than ten years after the end of such period.
2. The limit of liability stated in Item 4 of the Declarations as amended by the Increase of Limit Endorsement(s) listed below is further amended to read: \$ 77,500,000. This amended limit applies with respect to obligations assumed or expenses incurred because of bodily injury, property damage, environmental damage or evacuation of the public (a) caused during the effective period of the policy by the nuclear energy hazard and (b) to which the limit of liability stated in the policy does not apply under the terms of paragraph 1 above.
3. The limit of liability stated in Item 4 of the Declarations of the policy and amended limit of liability stated in paragraph 2 above shall not be cumulative, and each payment made by the companies after the effective date of this endorsement of any loss or expense covered by the policy shall reduce by the amount of such payment both the limit of liability stated in Item 4 of the Declarations and the amended limit of liability stated in paragraph 2 foregoing, regardless of which limit of liability applies with respect to the bodily injury, property damage, environmental damage or the evacuation of the public out of which such loss or expense arises.
