MEMORANDUM FOR: Ted Gilbert, Desk Officer, Office of
Investigations

FROM: Owen C. Shackleton Jr., Director, Office of
Investigations Field Office, Region V

SUBJECT: ALLEGATION REVIEW BOARD CONSIDERATION OF CRITERIA
FOR PRIORITIZATION OF OI RESOURCES; RECOMMENDATIONS

Attached are recommendations submitted by Ron MEEKS for Allegation Review Boards in the regions to follow in determining the prioritization for the use of OI's limited resources. Presently, to our knowledge, there is not a standard procedure used in all the regions. It is obviously a procedure that should be worked out jointly by OI and the regions. The first step in standardizing the procedure is to conduct a survey of the policies and procedures in the five regions. From what we know, the Allegation Review Board process is very formal in some regions and held every week on a specific day. In others, it is informal and held whenever there are allegations to be acted upon. Secondly, the membership of the Allegation Review Board should always include a member of OI. We recommend, because of OI's limited resources, this procedure be given priority at OI:HQ in its preparation of policies and procedures.
