<p><b>Summary:</b> TOSCO bought out BP Oil Company on 2/1/96. I cannot terminate the BP Oil Company license until the NRC issues TOSCO a license. Mr. Chelton stated that he has been waiting for a check from his company. I told him to fax me TOSCO's application which he has already put together and I will start the review. Then he can mail the application package with the check to our office later this week.</p> <p>Mr. Chelton indicated that the refinery is shutdown (no gauges are in operation). He seemed fluent with the regulations and leak test requirements. He committed to abiding by the regulations until TOSCO is issued their own license.</p>
