Chairman  
Navy Radiation Safety Committee  
Chief of Naval Operations (N45)  
Washington, D.C. 20350-2000

Dear Admiral Schriefer:

SUBJECT: CHANGE OF PROJECT MANAGER

This letter is to advise you that Mr. Jay L. Henson has been assigned as the Project Manager for the Department of the Navy's Master Materials License of Broad Scope. The effective date is September 23, 1996. We are making the change from Mr. Jerry Ennis to Mr. Henson in order to rotate the project management function approximately every two to three years. It is important to maintain continuity in the project management function. Consequently, Mr. Henson and Mr. Ennis will be working together to ensure a smooth transition during the next few weeks.

Mr. Henson has been a member of the Region II staff for five years and has significant experience in both licensing and inspection of the types of radioactive areas regulated by the NRC. Mr. Henson also has experience in radiation surveys and activities necessary for decommissioning facilities. Mr. Henson may be contacted at (404) 331-0344.

If you have any questions, please contact me.

Sincerely,

(original signed by
