Re: License #: 34-26449-01

Dear Sirs:

The Nuclear Medicine Lab here at Hocking Valley Community Hospital has recently undergone an equipment upgrade. These changes only effect the placement of imaging equipment and do not in any way disturb the location our of radioactive sources.

We respectfully submit this updated room schematic to revise our current license, effective immediately. If there are any questions or further documentation is required, please contact Ward Murrey, C.N.M.T. at ext. 204.

Sincerely,

Larry Willard
